

## Q-Gard® Traction Shoe Cover

•Skid Resistance •ISO Class 5 Compatible •Low Linting •Chemical Light-Splash Resistant

The Q-Gard® **Traction** Shoe Covers feature a proprietary, state of the art sole. The **Traction** sole provides unparalleled skid resistance on both wet and dry surfaces.

Our Q-Gard® material is low linting and resistant to light splashes from non-hazardous chemicals. The elastic, color coded stitched ankles makes it easy for user to recognize the proper size.

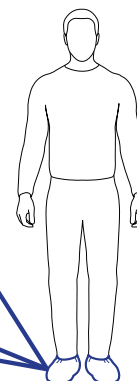

The Q-Gard® **Traction** Shoe Covers were developed with the customer in mind, because our customers helped design them.
