Look for this symbol to see which products are eligible for recycling.

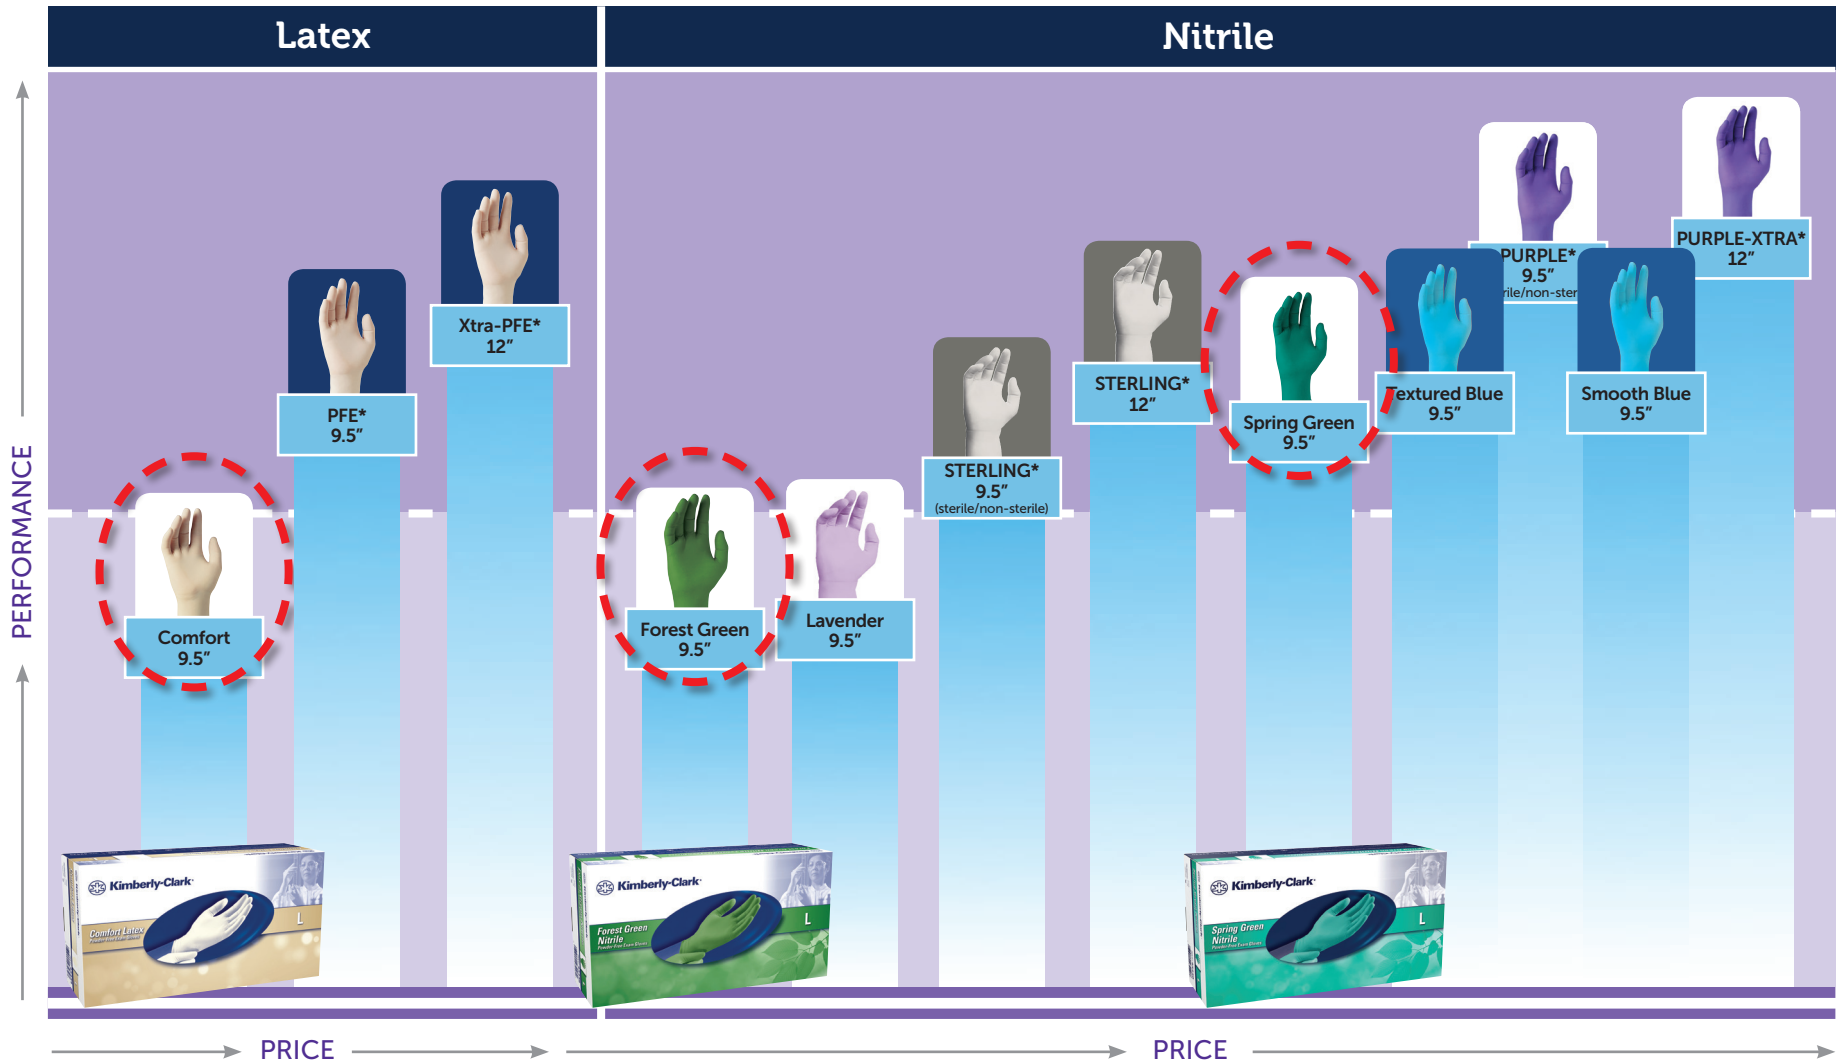

It All Adds Up

RightCycle* by Kimberly-Clark Professional* is an innovative recycling program that diverts waste from landfills and helps you achieve, or even exceed, your organization's sustainability goals. RightCycle* will turn your used garments and gloves into raw materials to create eco-friendly consumer products and durable goods. Take the next step in your waste reduction journey and choose RightCycle*. It all adds up to zero landfill and a more efficient workplace.

For more information, ask your distributor sales professional or visit www.kimtech.com/rightcycle.
