

# IMPACTO® CUSH'N STEP® INSOLES

## Anti-Fatigue Shoe Inserts

- ☑ **Help reduce fatigue when standing on hard surfaces for long periods**
- ☑ **Provide superior shock & impact absorption when walking or running**
- ☑ **Molded style insoles have heel and arch support, ideal for safety footwear, boots and running shoes**
- ☑ **Soft fabric cover wicks away moisture and is antibacterial**
- ☑ **Industrial grade ensure long wear**
- ☑ **Excellent compression resistance**
- ☑ **Guaranteed to not breakdown**
- ☑ **Open cell foam provides excellent breathability**
- ☑ **Biocide additive helps reduce foot odour**
- ☑ **PVC-Free for a clean environment!**

IMPACTO® lightweight cellular cushioning foam insoles. Open-cell structure engineered for greater resiliency, breathability and reducing heat build up. Top layer provides constant cushioning and even distribution of weight to protect pressure points. IMPACTO® Insoles provide superior impact and shock absorption. Fully washable.

**FITTING INSTRUCTIONS** If your shoe size does not correspond exactly to the size range indicated, you may trim the front part of the insole with a pair of scissors. **DO NOT TRIM THE HEEL AREA.** Before inserting the insole remove any existing insoles from the shoe. Insert the new CUSH'N STEP into the shoe.

**CARE INSTRUCTIONS** Hand wash or wipe the surface with warm soapy water. Hang to dry. Do not dryclean or dry by machine.

**IMPORTANT** It is recommended that once inserted the insoles remain in the shoes. Continual removal of insoles from one pair of shoes to another may cause deterioration.

PART#	Size Information (Shoe)					
	CUSHMOLDA	CUSHMOLDB	CUSHMOLD C/E	CUSHMOLD D/F	CUSHMOLD G	CUSHMOLD H
USA Men			7 - 8.5	9 - 10.5	11 - 12.5	13 - 14
