

Product Family
Titan II Pack-Type Shock-Absorbing Lanyards

Pack-Type Shock-Absorbing Lanyards include the shock-absorber pack as an integral part of a standard lanyard. In the event of a fall, the pack expands, reducing fall forces while a back-up safety strap deploys for added fall protection.

Warranty Information

We sincerely believe that our fall protection equipment is the best in the world. Our products endure rigorous test to ensure that the fall protection equipment you trust is manufactured to the highest standards. Miller fall protection products are tested to withstand normal wear and tear, but are not indestructible and can be damaged by misuse. Our Limited Lifetime Warranty does not apply to normal wear and tear or abusive treatment of the product. In the unlikely event that you should discover defects in either workmanship or materials, under our Limited Lifetime Warranty, we will repair or replace the product at our expense. If a replacement is necessary and your product is no longer available, a comparable product will be substituted. Should a product issue surface, contact us at 800/873-5242. Manufacturing specifications are subject to change without notice.
